The Wild Adventure! As a

Hugh,

What a great week in
the high County!

Men rarely get the
opportunity to show
their hearts and lives
in a safe place
with other men!

Wish you were here!

Hugh,

What a great week!
Discovery & confirmation
of who God uniquely
created me to be.
A place + structure
designed for men to
be men without being
ashamed.

A great connection with
other brothers which
is a great example of
how our father wants
us to live life in
communion with him and
other men.

Wrapping up here
the Smiling Moose. This
has been the most
incredible, indescribable
and unimaginable experience of

“Laughing Moose”

This is a life changing
experience. I enjoyed so
much of fellowship conversation.
This trip made me start
thinking about my life,
relationship with God, how
I can love my wife and
my kids more. Thank you
God!

One of the guys that
served us came to
TVA last year because
he heard it on your
show. This year he
came as work crew
and blessed us.

Thank You.
